Spacious family living with space and privacy

Generous proportions, a fabulous family-friendly layout and tastefully presented, light filled interiors all combine to create a first class residence in this two level home. It enjoys an elevated setting with city and water views from the upper level.

- Short stroll to nearby schools, parks and the Bay Run
- Designed to embrace easycare living and entertaining
- A flowing floorplan features formal and casual living areas
- Private rear garden includes a lawn and entertainment patio
- Well equipped gas kitchen with breakfast bar seating
- Three upper level bedrooms include a large main with balcony
- Full main bathroom plus second upstairs bathroom
- Excellent storage with attic space and underhouse area
- Ducted air conditioning and Jetmaster fireplace

Price:

\$1650000
